**REPLY UNDER 37 CFR § 1.111**

Dear Sir:

In response to the Office Action dated September 26, 2002, please amend the application as follows and consider the included remarks.

**IN THE CLAIMS:**

Please amend claims as follows: (A marked-up copy of amended claims is provided as Appendix A.)

*4u3*  
*cl*  
*AK*

---

1. (Amended) A recording sheet comprising:  
a substrate;  
an ink receptive layer placed on the substrate for retaining ink; and  
an ink permeable layer placed on a surface of the ink receptive layer, through which the ink permeates to the ink receptive layer, the ink permeable layer comprising a nonionic surfactant and a water-insoluble component including an inorganic filler and a binder.

---

*AS*  
*gu*  
*AK*

6. (Amended) The recording sheet according to claim 1, wherein the binder includes a polyester resin as a main component by weight.

---

*4u3*  
*cl*  
*AK*

Please add new claim 11 as follows:

11. The recording sheet according to claim 7, wherein the chemical compound having at least one cationic group in its structure is water-soluble.
